IMPORTANT NOTICE FOR ALL PATIENTS

It is your responsibility to know the specifics of your insurance coverage with regard to copays, deductibles, coinsurance, and coverage. We cannot be responsible for any balances you may owe to us or other providers based on our treatment or recommended treatments or tests for you.

If you have any questions about costs of such treatments, you should discuss the costs of any procedures/tests directly with the providing entity ahead of time to work out a payment plan and/or to find out if any discount is offered.

Please note that although we are on the same floor, the Pulmonary Function Lab is part of CPMC and operates as a SEPARATE PROVIDER from our practice. This is also true for other tests including but NOT limited to:

Chest XRays

CT Scans

Blood tests

As such, we are not privy to their fee schedule nor can we be responsible for any fees from them or any other provider which is separate from us.

Thank you.

Please also be aware that there will be a \$40 administrative charge on any returned checks.

If you fail to appear for a scheduled appointment, you may incur a \$150 fee. Please allow us 48 hours to reschedule your appointment to avoid this fee.
